NOTE FOR: John
FROM: Sheila
SUBJECT: Hiring

The second phase of DDO cuts will bring us another group of ex-DDO job candidates. The DCI's directive that these files be reviewed personally by the Director of each office still stands. Arline and I will review the files and unless we find one which seems particularly interesting, draft a letter for your signature expressing our regrets that there is no position commensurate with the individual's qualifications.

cc: Arline
